### SAFELY COVERED

Please remember, all members and visitors must wear face masks when visiting the River House, Mail Room, Golf Shop, and all indoor facilities.

### NATIONAL HOLIDAY ON THE LAWN

We had a large turnout for Spring Island's celebration of National Croquet Day earlier this month. Around 30 members came to the pristine lawn for games, instruction, and open play. George Enochs shared his jump ball skills with both experienced and novice players, and with Jonathan Watkins's help, everyone was able to execute this strategic and exciting shot. (Rumor has it that Bailey Symington did it twice!) Click [HERE](#) to read more.

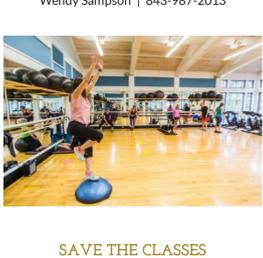

### WEEKEND BREAKFAST

The River House is open for a la carte breakfast from 8:00 am - 11:00 am on Saturdays and Sundays. Come try Chef's Blue Crab, Tomato and Asparagus Omelet, fluffy butter-milk pancakes, or Eggs Benedict.

### SUMMER SCHEDULE

### MEET THE WASPS

JJ Keyser got a good long look inside a paper wasp nest, capturing a flurry of activity, including the birth of a new wasp. He included some great historical and interesting facts in the clip. Check it out by clicking on the video clip above.

### ISLAND DOGS

Spring Island has and always will be a dog-friendly community. With the number and variety of pups on the island, we ask all members to be especially aware of their dog's ability to be under voice control when not on a leash. For the safety of our members, guests, resident animals, and the dogs, all dogs must be under control of the owner at all times. Thank you. (And please always bring a leash, as many dogs need more than voice command.)

### POND & INSHORE

Anglers of all ages are enjoying great catches in the ponds and not too far off in the rivers around Spring Island. For the next few weeks, cobia, mackerel, tripletail, and sharks are hot. Book a group inshore trip with Capt. Jake of Payback Charters. Will Stenack | 843-987-2748

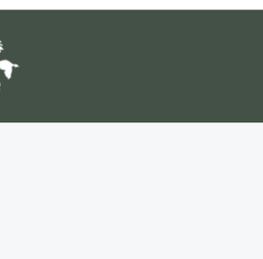

### A 3 HOUR TOUR

Soak in the sun from the best angle - right on the water. Cruises on the Hurricane Sundeck boat are available for up to 6 members. Take an afternoon lunch trip to Hilton Head or make it a full day and ride to Beaufort. Contact Will: 843-987-2748.

### HOW TO: RECYCLE BAGS

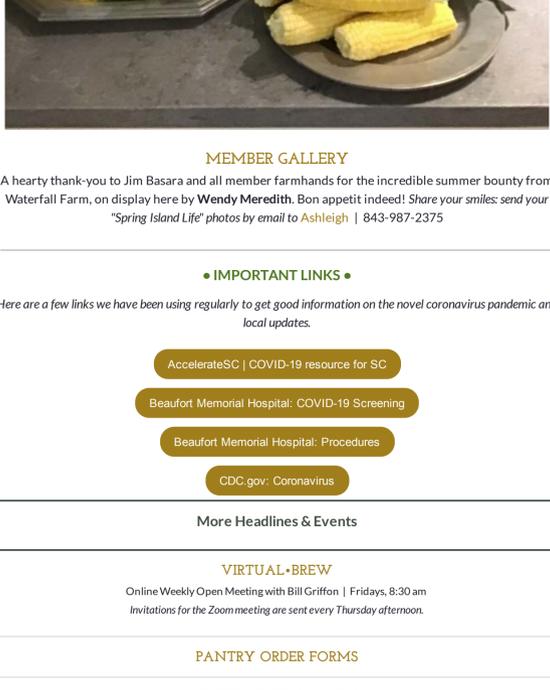

Plastic bags CANNOT go in the recycle bins. They render the entire load useless and turn it into trash because of how terribly the bags gum up the machinery. Please remember: **gather your plastic bags, plastic film, and plastic wrap** and bring them to your next trip to the grocery store or Walmart. They all have Plastic Bag Recycling bins near the entrances. Thank you for your help!

### FRESH AIR & FIT

• **OUTDOOR FITNESS CIRCUIT WORKSHEETS** •

All outdoor fitness circuit worksheets are available from the Sports Complex desk. [sportscomplex@springisland.com](mailto:sportscomplex@springisland.com)

### MEMBER GALLERY
