Monday, FEB 7 | Ashley Campbell

• 8:00 pm at the Summer House •

During his final years as a touring musician, Country legend Glen Campbell leaned heavily on his youngest daughter as a banjo player, keyboardist and harmony vocalist. Ashley has come a long way since then. Her music has a wide range of influences, combining the old-school country sound along with contemporary Americana, rootsy folk and pop. A singer and songwriter who plays her own instruments, Glen's guitar and banjo-playing expertise was definitely passed on to his daughter. There is no denying her iconic country pedigree, but Ashley is attracting the spotlight these days with her style, talent and a unique sound all on her own. [\$75]
